Rules & Game Play:
We all love the classic game snakes and ladders, but we created this game with a twist!
Worms and Ladders is the same as snakes and ladders, but with our friendly worms instead!

In order to play you will need your own dice and DIY play pieces.

Worms & Ladders

CORRECT WASTE PROCEDURES!

- 6.** Old car tyres do not go to the landfill bin. Another option would be to check out www.wastetyres.co.nz and find out about collections and drop off points for your waste tyres.
- 20.** Grass clippings cannot be recycled. Your best bet is to put them into your compost bin or garden.
- 25.** Bring your own reusable bags and keep them handy.
- 31.** Remember that most shops provide reusable bags for sale! If you cannot purchase one, remember helpful tip #25
- 43.** Grass clippings cannot be recycled. Your best bet is to put them into your compost bin or under a tree.
- 49.** Bring your own reusable coffee cup or enjoy your coffee at the cafe.
- 55.** Please remember to keep the lids on the bottles and jars when recycling.
- 57.** Put your own reminder tip in here.

- 67.** Take it to your soft plastic collection point. e.g. PaknSave, New World, Countdown, The Warehouse
- 87.** Vegetables should rarely need packaging, instead, use your reusable bags!
- 89.** Ask at your local paint shop for paint tin recycling.

- 95.** Plastic bags never go into the recycling bin, take it to New World or Pak N Save instead.
- 98.** Put your own reminder tip in here.
